## EXPERIENCE

### Full-Stack Student Web Developer | Rutgers State University of New Jersey

DECEMBER 2020 – JUNE 2021

- ✓ Designed and developed web applications using technologies that include: Javascript, jQuery, CSS, API's, Node.js, MySQL, MonoDB, and React.
- ✓ Collaborated with other developers on group projects and established a project workflow using github.
- ✓ Developed user-friendly websites using full-stack Javascript and several other programming languages, libraries, and frameworks.

#### *Noted Projects:*

- Collaborated on a project that allows users to search their favorite bands, and zip code and input returns the artist's biography, discography, and events as well as local bars. Uses CSS framework, jQuery, and API's.
- Created an interactive workday planner that allows users to save tasks into an hour of the day using HTML, CSS, local storage and Javascript.

### Practice Manager | Banfield Pet Hospital

MAY 2019 – PRESENT

- ✓ In partnership with the Chief of Staff, managed day-to-day operations ensuring the team provides the highest quality of veterinary care.
- ✓ Responsible to oversee staff recruitment, training, supervision and appraisals; addressed employee issues with confidentiality; directed the cross-training of personnel to effectively utilize employees as well as to build skill levels
- ✓ Optimized technology, standardized processes and procedures, identified and resolved workflow issues
- ✓ Oversees inventory and purchases of medical and office supplies
- ✓ Provide monthly reporting with recommendations or action plans on any issues; interpret financial reports/data to effectively manage the office.

### Shift Lead | Banfield Pet Hospital

MAY 2015 – MAY 2019

- ✓ Helped provide day-to-day supervision of the team when called upon and responsible for ensuring quality medical care, exceptional client service, associate engagement and maximum productivity.
- ✓ Helped foster an environment where a team can deliver quality, efficient and effective veterinary care while promoting an environment that engages associates.
- ✓ Providing professional, efficient and exceptional client service ensuring all associates do the same, to include client education about preventive care, pet health needs, hospital services, marketing campaigns, and other related information.
- ✓ Assisting in effectively scheduling associates to meet client needs according, while proactively planning time off.

- ✓ Ensured compliance of all practice policies and procedures in accordance with company protocols.
